....together.....always ahead

CAUTION/NOTE

FOR APPLICANTS FOR ADMISSION TO THE SCHOOL

CBSE has come up with a circular reminding schools to bring down the strength of the sections to 40 students each from the present strength of 42 or 43 in each section and the time limit is next year. So we are left with this humungous task of reducing the no of students by 12 – 18 (3 X 6 students) per class.

So let it be known that there is a complete freeze on admissions for all classes which have more than 40 students. This particularly covers classes NUR – 10. If we do not follow this we are liable to be derecognized which is not an option.
