

FATHER AGNEL SCHOOL, VAISHALI

Dear Parents,

We, at Father Agnel School, Vaishali has deployed an advanced bus tracking and monitoring system from Trakzee. It is active in all our buses for the new academic session 2025-26. The Trakzee system uses advanced GPS tracking for providing real-time tracking not only for school but also for parents. Now you can track the school bus, using the mobile app and can remain better informed and assured of the safety and whereabouts of your ward. This app will allow you in managing your time better while coming to pick and drop your children at the bus stop.
